**Quarterly List of Admissible and Prohibited Titles
Tariff item 9899.00.00
July 1 to September 30, 2006**

This report contains a list of titles reviewed by the Prohibited Importations Unit (PIU), Border and Compliance Programs Directorate, at Headquarters in Ottawa, during the period **July 1 to September 30, 2006**. Titles for which a determination was rendered in accordance with section 58 of the *Customs Act*, or re-determined as per sections 59 and 60 of the *Customs Act*, during the stated period are listed, along with the related decision. Titles are categorized by commodity and listed alphabetically. Where applicable, additional bibliographical information has been included.

You will note that the report has been divided into three sections:

1) Section 58 – Determinations: This section lists titles for which initial classification decisions have been made at Headquarters in accordance with section 58 of the *Customs Act*. Goods are “determined” to either fall within or outside of the provisions of tariff item 9899.00.00 (obscenity or hate propaganda).

2) Section 59 – Re-determinations: This section lists titles that have been previously prohibited under tariff item 9899.00.00 and which have been the subject of program monitoring. The re-determination was initiated by the PIU, in order to ensure that goods have been correctly classified.

**Liste trimestrielle des titres admissibles et prohibés
Numéro tarifaire 9899.00.00
1^{er} juillet au 30 septembre 2006**

Le rapport ci-joint contient une liste des titres examinés par l'Unité des importations prohibées (l'UIP), Direction des programmes de l'observation et de la frontière, à l'Administration centrale à Ottawa, entre le **1^{er} juillet et le 30 septembre 2006**. Les titres pour lesquels une décision a été rendue conformément à l'article 58 de la *Loi sur les douanes* ou pour lesquels une révision a été faite conformément aux articles 59 et 60 de la *Loi sur les douanes*, durant la période en question, sont indiqués, ainsi que la décision connexe. Les titres sont séparés selon le genre de matériel dont il s'agit et présentés par ordre alphabétique (le tout selon l'anglais). Des renseignements bibliographiques supplémentaires ont été inclus lorsqu'ils étaient applicables.

Vous constaterez que le rapport est divisé en trois sections :

1) Article 58 – Déterminations : Cette section présente la liste des titres pour lesquels une décision de classement initiale a été rendue par l'Administration centrale, conformément à l'article 58 de la *Loi sur les douanes*. Il est «déterminé» que les biens sont visés ou non par les dispositions du numéro tarifaire 9899.00.00 (obscénité ou propagande haineuse).

2) Article 59 – Révisions : Cette section présente la liste des titres préalablement prohibés en vertu des dispositions du numéro tarifaire 9899.00.00 et pour lesquels une révision a été effectuée. La révision a été amorcée par l'UIP dans le cadre du contrôle de programme, en vue de confirmer la validité du classement tarifaire.

3) Section 60 – Re-determinations: This section lists titles that were previously prohibited under tariff item 9899.00.00 and which have been re-determined, at the importer’s request, by the Customs Disputes Section, as per section 60 of the *Customs Act*.

3) Article 60 – Révisions : Cette section présente la liste des titres préalablement prohibés en vertu des dispositions du numéro tarifaire 9899.00.00 et pour lesquels une révision a été effectuée, à la demande de l’importateur, par la Section des différends douaniers, conformément à l’article 60 de la *Loi sur les douanes*.

For the purposes of this report, decisions are defined as follows:

1) Prohibited: This indicates that the material was reviewed and found to fall within the provisions of tariff item 9899.00.00. Its importation into Canada is therefore prohibited, that is not allowed, as it constitutes obscenity or hate propaganda.

2) Admissible: This indicates that the material was reviewed and found NOT to fall within the provisions of tariff item 9899.00.00. Its importation into Canada is therefore acceptable, as it does not constitute obscenity or hate propaganda.

This list should only be consulted as a reference guide and should not be considered an absolute authority. If you have any questions or require further information, please contact the Prohibited Importations Unit at (613) 954-7049, by fax at (613) 957-4653, or by e-mail at piu-uip@cbsa-asfc.gc.ca. The Customs Disputes Section may be e-mailed at cd-dd@cbsa-asfc.gc.ca. You may also write to the following address: 5th floor, 150 Isabella Street, Ottawa, Ontario, K1A 0L8.

Aux fins de ce rapport, le genre de décisions se définit comme suit :

1) Prohibé (*prohibited*) : Ce terme indique que, par suite d'un examen, il a été établi que le matériel est visé par les dispositions du numéro tarifaire 9899.00.00. Son importation au Canada est donc prohibée, c'est-à-dire qu'elle n'est pas permise, car le matériel constitue de l'obscénité ou de la propagande haineuse.

2) Admissible : Ce terme indique que, par suite d'un examen, il a été établi que le matériel n'est PAS visé par les dispositions du numéro tarifaire 9899.00.00. Son importation au Canada est donc acceptable, c'est-à-dire permise, car le matériel ne constitue pas de l'obscénité ou de la propagande haineuse.

Cette liste devrait être consultée à titre de référence seulement et ne devrait pas être considérée comme constituant une autorité irrévocable. Si vous avez des questions ou désirez plus de renseignements, veuillez communiquer avec l'Unité des importations prohibées par téléphone au (613) 954-7049, par télécopieur au (613) 957-4653 ou par courriel à piu-uip@cbsa-asfc.gc.ca. Pour communiquer par courrier électronique avec la Section des différends douaniers, veuillez entrer l'adresse suivante : cd-dd@cbsa-asfc.gc.ca. Vous pouvez aussi écrire à l'adresse suivante : 150 rue Isabella, 5^e étage, Ottawa, Ontario, K1A 0L8.
